

We have the ability to manufacture special shaped signs and custom legends to your specifications.

Pedestrian Crossing Signs

DL2000L Stand

SBL1236-Y

Pedestrian crossing signs are used to remind drivers of laws regarding the pedestrian right of way at unsignalized crossings. The "STOP FOR" legend is only intended to be used in states where the law specifically requires that drivers must stop for pedestrians in a crosswalk. Single or double sided.

Model Number	Type	Sign Faces
SBL1236-Y	Yield	Single
SBL1236D-Y	Yield	Double
SBL1236-S	Stop	Single
SBL1235D-S	Stop	Double

SBL1236-S
